A large, stylized logo for MAD magazine. The letters 'MAD' are in a bold, red, blocky font with a thick yellow outline. The letter 'M' is particularly large and dominates the left side. In the center, between the 'M' and 'A', the word 'IND' is written in a smaller, black, sans-serif font. To the right of the 'A', there is a registered trademark symbol (®). The background is a light blue with vertical white stripes. There are also some black diagonal lines and a small black triangle on the left side, and a white triangle on the right side, suggesting a dynamic or explosive effect.

LETTERS AND TOMATOES WITH SPECIAL SAUCE DEPT.

Welcome, my wily well-wishers, to the latest installment of Elron's postal parade. For all you impatient imbeciles out there, I'll cut right to the chase. Looks like all the Buffalonians are befuddled by the barrage of abuse I bombarded them with on the last letters page, so I promise I'll go easy on them this time. Let's start with this erroneous epistle from the Empire State . . .

My Led Zep photo, phony? Lindy, my dear, you better come down from your STAIRWAY TO HEAVEN because you're so DAZED AND CONFUSED that we seem to be having a COMMUNICATIONS BREAKDOWN! I can't say that I have a WHOLE LOTTA LOVE for a FOOL IN THE RAIN like you! Now go put on a KASHMIR sweater and run OVER THE HILLS AND FAR AWAY where you can read MOBY DICK in peace and quiet. THANK YOU...Well, it seems that Buffalo, New York isn't the only place where the B.S. roams! Ponder this pernicious parcel from Buffalo Grove, a poorly-populated part of the Prairie State...

Lindy
Buffalo, NY

Dear MAD,

Can I please have the last 10 or 15 issues for free please.
And please fire Elron or else!

Matt Hart
Buffalo Grove, IL

You Buffalo Grovian bonehead! What kind of twisted tactics do they teach you in your pathetic town? Ask for freebies and then demand that I be given a pink slip! Nice try, Buffalo Grove Boy, but I ain't bitin'! I didn't think it was possible, but Buffalo Grovians actually make Buffalonians look bright! Now this next bonny beauty from the Hoosier State really knows how to pose a quirky query...

Dear Elron,

I'm dying to know
what you'd
consider a fun
night with a girl.
No censoring
please!

Stephanie Gould
Jasper, IN

I will not reveal the delicate details of my romantic rendezvous,
but I will allow you to see this snazzy snapshot taken
on a recent date with a bodacious
beauty...

Well, Buffalo Grove may just get a reprieve. An even larger lot of loathsome losers has materialized in Maryland's most mangy metropolis. It seems a banal band of Baltimore blowhards found some meaning in their meaningless lives in the Spy Cards from Collector's Series #8. Read on...

Dear Elron,

I would like to take the opportunity to thank you for publishing the **MAD Super Special** Late Spring 1994 issue.

A Spy vs. Spy Combat Card Game twenty player league will soon be formed. Ten players in each division. The top two players from each division qualify for the playoffs and of course there will be the championship finals.

We would like your best wishes for a successful first season and of course many more.

Jay Hamer
Baltimore, MD

I bet you would like my best wishes. Well, in the immortal words of my Uncle Slokum, "You could wish someone all the luck in the whole dang world, but it just won't do them no good if they already got the head lice." Anyway, our next letter comes to us from a cozy corner of Colorado...

Dear Elron—

In Super Special #99 I noticed how many bad remarks you made about Ollie North. Funny, my family is the same way!

Danielle North
Englewood, CO

So, Ms. North, are you saying you may be related to folly Ollie? I suppose you'd like me to make bad remarks about your family too! Well, I won't give you the satisfaction! I'd much rather make fun of your miserable excuse for a town! Englewood stinks! There's no more pitiful place to live . . . except for maybe that bleak Baltimore . . . or that bufoonic Buffalo Grove . . . or the Buffalowest of them all! And now let's leave this crappy country of sorry cities. Our last letter is from a candid Canadian correspondent who craves craniums...

DEAR ELRON,

THE "OVERCOMING BALDNESS" GARBAGE IN YOUR **MOVIE CLASSICS** SUPER SPECIAL WAS A PILE OF CRAP.

ANYWAY, I HAVE ANOTHER DARE FOR YOU. GET A CAT SCAN AND SHOW US THE ACTUAL SIZE OF YOUR BRAIN!

TOM DOHERTY
HALFAX, NOVA SCOTIA

My doctor's decided I have a serious syndrome, but unfortunately, it is utterly unidentifiable! If you have a decent diagnosis for my daunting disease, dash off a letter to...

Pleasant dreams!
Ah-ha-ha-ha-ha!

No dare to Elron goes undone! I hired my neighborhood neurologist to hook me up to his handy brain machine. The results are to the right as you can plainly see...

STRIP BALLOONS

WRITER: DON EDWING

How about dis?! Dey went an' made a pitchur about me wid **real people!** Dat means I'm gonna be even **more** famous den I wuz **before!** Yez can loin **all** about me! An' maybe I'LL even loin a ting or two! Like f'rinstance, **why** I talks like such a **moron!** An' **why** MAD calls dere voision of dis picture:

FLOP

Isn't it wonderful how **Shelly Duvall** looks just like **Olives Oil** in this movie . . . !?

What's so wonderful?!? She looks like her in **REAL LIFE**, too!!

Oh, dear!

Maybe you can explain to me **why** they make a movie with **real actors** playing the parts of famous **cartoon** characters, and have them **ACT** like them, too?! Why don't they just make a full-length **CARTOON** movie in the first place?

Hamburgers, you know about! **Show Biz**, you don't!! You see, this is the year that people playing **cartoon** characters is "**IN**"!

Oh . . . you mean like the **unreal** characters in "**Flash Gordon**", "**Superman**" and "**Annie**"!

No, I mean the **unreal** characters like **Chevy Chase** in "**Seems Like Old Times**" . . . **Richard Pryor** in "**Stir Crazy**" . . . and **Dolly Parton** in "**Nine To Five**"!

MORT DRUCKER

I HOPE THEY DON'T MAKE A MOVIE ABOUT **US** AND USE **REAL LIFE** ACTORS.

THAT WOULD BE HORRIBLE!

ARTIST: MORT DRUCKER WRITER: STAN HART

PEYE

Another reason to make a live movie rather than a cartoon is because of the **VIOLENCE!**

Right! In kids' cartoons, you have to be careful, but in kids' movies, you can be as violent and disgusting as you want! And also, in that way, you earn yourself a "PG" rating!

Yeah!! No kid would be caught dead going to a "G"-rated movie nowadays!

The Director tells me to put on these phony arms, squint one eye, jut out me jaw, talk through clenched teeth, and then—act natural!!

Mutter, mutter...

What's he saying? I can't understand his inaudible muttering!

I think he's saying a quiet "GOOD-BYE" to his comedy career!

Why does Robin Williams look so confused?

He can't tell if he's funny or not!

How come??

Because, unlike "Mork & Mindy", in a MOVIE, they don't have a LAUGH TRACK to tell him!

THEY'D PROBABLY GET A LOUD MOUTH FLAT CHESTED REAL ACTRESS TO PLAY ME!

LET'S SEE, WHO COULD PLAY ME? DUSTIN HOFFMAN? ...TOO SHORT.

Olives, youze is different from de udder goils I know!

Really?! What am I like?

Like de udder BOYS I know!

Olives is gone... and Bruto is furious!!

How can he smash up all the furniture like that?!!

He used to work for a Moving Company!

Take THAT, you squint-eyed runt!!

Hey, hold on a minute! How comes I kin knock out five tough guys just seven panels ago, an' now I can't even defend myself against one tub of lard like him? Dis pitchur makes less an' less sense as it goes on!

I'm giving my baby to Flopeye and Olives Oil before I disappear! No one will ever know who the baby's REAL Mother is!!

Although... in a town with 35 people, like Sweat Haven, it's kinda tough to keep something like THIS a secret!!

Hey! Look at dis baby poison!

Should we keep him, Flopeye?

Sure ting! He's a lucky kid! He'll have me for a Fadder! I'll always protext him!

And I'll be his Mother so he's twice as lucky!

Hmmm! I'm not so sure about dat!!

What do you mean?!!

He might be in trouble if he needs to be breast fed!

Since you cannot pay your incredibly high taxes, you must lose your home!!

Why are they DO-ING this?

To inject another note of REALISM into this movie!!

I THINK I'LL ASK HIM!

BROOKE SHIELDS WOULD BE O.K.... IF SHE WEARS A DRESS.

I hates t' make a pest of me-self, but does anyone out dere know what business Olives' Fadder, Mr. Oil, is in...?

Or for dat matter, what ANYONE in Sweet Haven does for a livin...?

Just taut I'd axe!

I'D CONSIDER LASSIE.

Eat your spinach, Flopeye... an' save Olives an' Swee'tea'!

But... I don't likes spinach!

What de hell is dis?! Since when don't I likes spinach!? Everyone in de woild knows Flopeye loves spinach! Everyone except the goofs who made this pitchur...!

Oudda me way! It's Flopeye to the rescue!!

You're going to save Olives and Swee'tea'??

I'm gonna do MORE den dat! I'm gonna save dis disgustipating pitchur!!

But—but YOU can't do this in a live movie! You're only a two-dimensional character!

Well what makes you think YOU'RE so hot?! What kind of a role model are YOU for kids?! You smoke, you squint, you curse, you mumble, and you mangle the English language!!

Oh, yeah? Look who's talkin'!

THUNK!

Oh, Flopeye, you're absolutely wonderful!

Tanks! An' now I'm gonna take care of de one poison dat makes me look like a bum!

You mean Bruto, huh?

No... HIM!!

We certainly understand...!

SPLAT!

An' to all me fans... if I gots any LEFT after dis pitchur... I apologizes profoosely! I means, I YAM what I YAM... but DAT guy wuzn't even CLOSE!!

Nowadays, the hottest comic strip in the country is Gary Larson's bizarre single-panel, "The Far Side." Far Side books are at the top of the bestseller lists and gift shops are filled with Far Side cards, mugs, posters and other stuff. With a big cash bonanza like this, it won't be long before other cartoonists jump on the bandwagon and start using Larson's approach as well. Speaking of jumping on the bandwagon, here's what we think it will be like...

When Other Comic Strips Start Using The "FAR SIDE" Formula

ARTIST: BOB CLARKE

WRITER: CHARLIE KADAU

THE BLOOM COUNTY SIDE

"No, Frank! The seals! Just the seals!"

THE GARFIELD SIDE

"Okay, here it comes, here it comes... Oh, what a joy!
This is one Thanksgiving Day Parade that dogs will be
talking about for years to come."

THE BEETLE SIDE

"Jenkins, I've done it! I've perfected a fool-proof star wars defense system! All my calculations are right in here, you must see them!"

THE CATHY SIDE

It was right after the soup and just before the main course that Cathy decided she would never, under any circumstances, ever go on another blind date again. Never.

THE SPIDERMAN SIDE

"It must have fallen down during the night and...Hey! Lookee what's underneath it!"

THE B.C. SIDE

"It's agreed then: you call it in the air...winners get to lounge around in trees all day eating bananas and losers have to develop civilization and live in hot, crowded cities."

THE FAMILY CIRCUS SIDE

"Well, I thought this was the spot where we left daddy...I remember we buried him in the sand about an hour ago right here next to a 'No Littering' sign."

THE HAGAR SIDE

"Hagar, there's someone here who wants to speak to you about your helmet, and he doesn't look happy."

THE MENACE SIDE

Dennis was about to discover he had finally pushed Mr. Wilson's patience just a little too far.

"Why Did The Chicken Cross The Road?" is a riddle that has been plaguing mankind for thousands of years — or however long it's been since chickens started crossing roads. Today's comic strip cartoonists, with their individual approaches, might help us find a new solution to this problem — or confuse it even more. Anyway, here is MAD's idea of what might appear in your daily papers

Look around in Art Galleries today, and what do you see? You see paintings of soup cans and Brillo boxes and incomprehensible blobs. Let's face it: If the great Masters of the past were alive today, they wouldn't stand a chance of success as serious painters. Their stuff just wouldn't sell in our modern Galleries. And so, they'd probably have to find work in another field of Art...like the Comic Strips, where their stuff would be appreciated. Which brings us to this article: Let's see what might happen

FUNNIES' BONES DEPT.

Have you ever wondered why there are so few good Doctors around today? Well, MAD feels that it's because most Doctors don't really understand the human body and how it works. And why is this? Because like everybody else, Doctors were brought up on "The Comics" and therefore developed a distorted concept of the human body. Mainly, The Comics show us bodies that are unlike anything else around. To demonstrate the problems and confusion this has caused today's Doctors, here are some excerpts from

THE EYES

In many cases, a "normal" eye is not necessary for vision!

Contrary to accepted medical opinions, some humans do not need pupils in order to see. However, this rare condition (known as *annieus orphanius*) occurs only in certain types of people who also never age.

Images are sent to the brain via solid tinted tubes, like modern-day fiber optics. The result is seeing everything through rose-colored glasses.

Occasionally, some humans can see without having eyes at all. This rare condition (*beetleus yardbirdis*) causes that person to appear as if he's fast asleep while he's really awake, and vice-versa.

Images are absorbed through pinholes in cheeks that resemble freckles. Vision can only be activated by loud, raucous military commands.

Some humans are able to see through solid objects and to spot things happening miles away. People with this rare condition (*kryponus x-rayus*) often wear eyeglasses, even though totally unnecessary.

This intricate mechanism for vision is composed of a pair of telescopic lenses linked up with an alternative pair of miniature x-ray machines.

THE NOSE

The size and shape of the nose often determine willpower and determination.

A hooked nose (*tracy bumpus*) is the sign of a person who relentlessly pursues a goal, regardless of any personal danger. Even after 50 years, he'll still stick to his job.

A keen sense of smell helps this nose sniff out dangers which may be threatening the safety of the entire body.

A bulblike nose (*andicappus handicappus*) indicates lack of willpower and inability to complete a given job or task. The nose, like the person, has no clear direction.

Through frequent abuse, this nose begins to turn bright red, this condition being known as *proboscis inebris*.

A small, peanut-shaped nose (*lucyus obnoxious*) indicates a powerful determination on the part of its possessor to achieve goals regardless of any damage done to others.

At first, this nose appears subordinate to the mouth. That's because the mouth is much larger than normal.

THE HAIR

Hair growth and hair quality depend entirely on the diet.

This common disorder of the scalp (*dagwoodus cowlickus*) occurs after long years of combining many varieties of foods into one sandwich.

Hair follicle is damaged, and hair grows abnormally.

Total baldness (*warbuckus extremus*) can be traced to a diet of rich gourmet food, gooey desserts, and very expensive wines and champagne.

Hair follicle is dead and unable to function at all.

This thick, full, healthy head of hair is the result of eating hamburgers, pizza, French fries, malteds, and other types of "fast food."

Hair follicle is healthy and hair behaves normally.

THE SKULL

The shape of the skull determines how a person functions in everyday life.

A rectangular skull is the mark of a highly-evolved and intelligent individual. Such people are born to lead. They are usually very handsome, and they always have perfect teeth.

A sloping forehead is found on an individual who has not yet completed his evolutionary cycle. Note the protruding lower tooth... a telltale indication of this sub-human type.

An elongated skull occurs when someone lacks the ability to speak. In such cases, there is also no sign of any mouth. It is not known if this type of individual takes any nourishment.

A round skull with a nose cavity between the eyes, blocking off the mouth from the brain, indicates an underachiever. Speech is not impaired, but sounds bewildered and confused.

THE ARMS

The size and shape of the arms depends on the amount of chemicals in the body.

This condition (*nautilus pugnatio*) results from an imbalance of iron in the body system, creating a swollen appearance. X-rays of arms reveal a green substance surrounding muscles. Substance has same chemical properties as a certain leafy, green, yecchy-tasting vegetable.

Some arms appear to lack muscles altogether (*disneyus rodentus*), a condition caused by a fiber deficiency in which the tissue turns to cheese. This condition usually results in the loss of one finger of each hand, but does not effect the efficiency of the rest of the hand.

THE TORSO

The size of a torso is a chief indicator of dominant leadership—or lack of it.

A dwarf-like, compact torso is the sign of a strong-willed, often tyrannical power figure. Such people, as in the two examples of case studies depicted here, dominate less compact people, whom they consider unfit to make any decisions at all, or to lead their own lives.

This condition (*ironhandus despoticus*) is due to the fact that the brain is close to the torso, allowing power from the brain to travel a much shorter distance, and thus remain strong.

A tall, lean torso indicates a person who is obviously extremely weak and docile and who allows himself to be browbeaten and manipulated. Such people, as in the two examples of case studies depicted, fail in the exercise of power, and end up as dupes and followers.

This condition (*nebbish submissivus*) is due to the fact that the brain is further away from the torso, meaning that power must travel a much greater distance, and thus weaken.

THE GLANDS

In isolated cases, there occurs a glandular condition (*bannerus hulkus*) in which intense anger and rage causes a transformation of personality, intelligence and physical structure.

The personality, which is usually boring and insipid, becomes dynamic and outgoing.
The I.Q., which is usually a near genius 162, plummets suddenly to a sub-moronic 27.
The height, usually an average 5'9", suddenly increases to an abnormal gigantic 8'6".

Before transformation, the individual's glandular cells are normal and quite well-behaved.

After transformation, the individual's glandular cells expand to twice their normal size.

Note: This condition is similar to Batson's Disease (*shazamus marvelous*) which has been known to affect boys in their teens.

What's been happening in the comic strips these days? The same old stuff, as if you didn't know. Dagwood, Beetle Bailey and their syndicated buddies are still doing their usual things in their own private little insulated worlds. Wouldn't it be re-

Oh, what will I do...?
I'm lonesome and blue!
I feel like a leper
Or a Commie!

Won't someone out there
Please answer my prayer
And send me a Daddy
or a Mommy?!

Sob... sob! I guess
I'm **never** gonna
fall asleep **again**!

Cheer up, Rivka! I
know it's tough liv-
ing in an orphanage
and trying to sleep
on a lousy **hard cot**!

Are you
kidding?
I could
sleep on
a lousy
hard ROCK
if **SHE'D**
only
SHUT UP!

For
a
little
girl,
she's
got
a
big
mouth!

Last night
she hit a
high note
and **bust-
ed every
window**
from here
to **Jersey
City!**

What tune
is Awful
Annie
singing,
anyway?
It sure
doesn't
sound
familiar!

What's the
difference?!
The only song
anyone **knows**
from this epic
is "**Tomorrow**"
... and **that**
doesn't come
till later!

No wonder we don't
get enough to **eat**
around here! They
spend all of their
money on **expensive
background music!!**

Don't you know the
**Hollywood Movie
Musical Ordinance?**
"Every Orphanage
must have an **off-
stage orchestra!**"

Le'me at her! I'll kill
her!! I'll **KILL** her!!

You leave Awful Annie
alone! She happens to
be a **pretty nice kid!**

**Not Awful Annie!! My
AGENT!! "Audition!"**
she says! "You could
do a **GREAT Awful
Annie!**" she says! So
what happens...??"

The **same** thing that happened
to all of us! They pick some-
one who can do a **great Shirley
Temple...** and we losers end up
in **bit roles**, playing **second
fiddle** to that **human siren!**

Oh, Awful Annie... if **YOU** can't escape from this Orphanage, **nobody** can... sob... sob! I feel like I've been locked up here **forever!**

That's just **ridiculous**, Rivka! You've **really** only been here for a **short time!!**

Sniff... sniff! Yeah, I **guess** you're **right!!**
Who's the **NEW** girl with the **weird hair-do?**

Leapin' lizards! Maybe you **have** been here a little too long!

I'm **Graze Farfel!** I work for **trillionaire Oliver Morebucks!** He sent me to borrow a **cute little orphan** to hang around his **Fifth Avenue estate!** Do you have one...?

I **just might!**
Let me **look around** and **see!**

Excuse me, ladies! Before you go on... I'm here to present a **Special Award** to the **writer** of this screenplay in the category of **"Most Chutzpah In A Story Development Scene For A High Budget Musical Film!"**

Gosh, Miss Farfel, me and my dog, Cindy, are **real happy** that you chose **ME** over all the **rest** to come home with you!

I'll be **honest** with you, kid! I liked **one other girl** back there a **lot more**—but somehow, **"Little Orphan Rivka"** just didn't have the **right ring** to it!!

Isn't this **magnificent land?!** It runs almost **three miles** in one direction and **half a mile** in the other! The **best part** of it is, it's **right on Fifth Avenue**, and it's all part of **Mr. Morebucks's estate!**

Gosh, I'm a **dummy!** All along I thought this place was called **"Central Park!"**

Don't be so **hard** on yourself, Awful Annie! Lots of people make that **very same** mistake!

Well, how do you like Mr. Morebucks's **mansion?**
Gosh, I feel like such a **dummy** again!

I know! All along, **YOU** thought this was **Grand Central Station!** Actually, it was! Mr. Morebucks **BOUGHT** it and had it **MOVED** here last month!

Gee, Mr. Morebucks seems **nice!** Not at all like a **big important** person!

Invest three **billion** in **oil**, six **billion** in **copper**, buy out **U.S. Steel**, call **Rockefeller**, then get me **China!**

Any particular **NUMBER** in **China**, Sir...?

I **don't** want to **CALL** China! I **WANT** China! Get it for me! It'll make a **swell** companion piece for **India** and my **Pacific Ocean!**

Leapin' lizards! I guess he **IS** a **big important** person!!

Oh, boy... what a **great place!** I'm gonna **love everyone** in it to pieces, and then put them all **back together** and—

That's the orphan I rented for you, Sir!
Isn't she **absolutely adorable?**

Get **RID** of her!
With all that **sweetness** under the **same roof** with me and my **diabetes**, I'd give myself **six minutes** to live!

I can't send her back to the Orphanage now! It would be cruel!

Hmmmm! Then, there's only **one other thing** I can think of to do with a little girl!

Mr. Morebucks, I will **NOT** leave her on the side of a **mountain** for the **wolves...**!!

It was good enough for my **Sister**, it's good enough for her!!

Okay, you've convinced us with your "**hard-hearted exterior**" bits! Now, it's time for your "**soft-hearted interior**" transition!

Oh, very well! I'll take her for a **week—on trial**!

Awful Annie, this is **Bonejab**, my **bodyguard**! He came here over **forty years** ago, and I've had him with me **ever since**!

Golly, Mr. Morebucks!! **THAT's** loyalty!!

Loyalty, hell! YOU find a way to tell a **nine-foot foreign mother** like him you're a **bigot** ... and **always** hated his **guts!!**

Sorry to disturb you, Sahib ... but there's an **important call** for you!

Who is it?? The **President**? The **King of England**? **J. Edgar Hoover**?

No, our **Producer**! He says even **HE** is **bored** with this **dumb movie**!

Can't say I blame him! What we **need** are **stars with style** and **charisma**—like **Garbo**—and **Taylor**!

Garbo and Taylor?!? How are you going to accomplish **that?!?**

Simple! We'll all go from **this movie** to **another movie**! The Radio City Music Hall has "**Camille**" with **Garbo and Taylor**! Move out!!

Hear that, Awful Annie! It's **THAT** kind of **thinking** that made him a **trillionaire**!

Look!! Awful Annie's sound asleep!

Well, naturally! We just went from "**Camille**" ... which is a **GOOD movie** ... back to **THIS boring one** again! I'm having trouble staying awake **myself**!

Don't expect us back for dinner, Graze! We're off to **Washington** for a meeting with **President Roosevelt**!

Isn't that nice! And are you taking Awful Annie with you to meet the **President** for an education?

No... I'm taking her for **REVENGE!!** After what he's been doing to us **Republicans**, I've been dying to get even with him!!

So you see, Mr. President, the way I figure it in my **cute way**, even though it looks **tough** for the country **right now**, everything is gonna be **swell soon**!

Awful Annie, can you sing **TOMORROW??**

You bet!! Oh, the **sun'll** come out to—

No, no! I don't mean the **SONG "Tomorrow"**! I mean can you **SING TOMORROW**—or the **day after**—or the **day after that**! And **somewhere else**! As long as it isn't here! **Today**! Okay?

TOMORROW... TOMORROW...

I guess she just couldn't contain herself, Franklin!

We were **THIS** close from getting away scott free... sigh! Oh, well... call the glazier, Eleanor!!

You did a **terrific** job in Washington, Awful Annie, and to show you my **gratitude**, I've decided to make you my own little girl, officially!

Leapin' lizards... you really want to adopt me?

You're **everything** I've always wanted in a daughter! Someone to **torture** my **delinquent tenants**, **torment money-grubbing associates**, put the screws to my **debtors**, and drive a **wedge** through the **Communist monolith** in **Moscow**! And just think! You can do all that by just being your **sweet, slobbering, goey, nauseating self**!!

I'd love to be your daughter, Mr. Morebucks! But I **already HAVE** a Mommy and Daddy! And **some day**, they're gonna find me again! And when they **DO**, we'll **RECOGNIZE** each other because they're gonna have the **other half** of this **broken locket** I always wear!

That has got to be the most **IDIOTIC** plot gimmick I've **EVER** heard!

Don't knock it! It was written by a **screen-writer** who won a **SPECIAL AWARD** fourteen panels back!

I see by the papers that **Oliver Morebucks** is offering **\$50,000** to the **REAL PARENTS** of **Awful Annie** if they'll come and claim her! And by an **odd coincidence**, I happen to have the **other half** of the locket they'll need to do it! Now, where could I find a **rotten, unscrupulous couple**—

Hey, look who just **blew in!** My ne'er-do-well brother, **Booster**, and his ne'er-do-well girl friend, **Dilly**! What brought you here at the **exact right** moment in my life?

That **Award-winning screen-writer** everybody's talking about!

There are so many **dishonest people** out there, claiming to be **Awful Annie's** parents, just to grab the reward!!

Don't knock dishonesty! **Forty** years from now, it'll be running this country!

I can't believe that! But I'll keep interviewing the **phonies** anyway! Bonejab, send in **Mr. and Mrs. Nixon** next... then **Mr. and Mrs. Agnew**!

... and that's our **story**, Mr. Morebucks! For all these years, we've been **broken-hearted**... and desperate!

Right! And since we have the other half of the **locket**, we'd like to now take our most **precious possession** home with us!

I'm not sure I **trust** them, Awful Annie! What makes you say that?

Just a **hunch**, I guess! It all started when they **took the CHECK**... and left **YOU**!!

Whooops!! Sorry...!!

Bonejab, get out the heli gyro!!
I don't like the looks of this!

God, this is awful!! Bonejab, you must
get her down from there immediately!!

Oh, Daddy!
You and Bonejab
saved my
life! You
did it out
of love—
right??

Wrong! We did it out of **EMBARRASSMENT!**
A 30 million dollar extravaganza... and
the best spot they could pick for a big
chase scene is a tacky little **RAILROAD
BRIDGE?** How about the **EMPIRE STATE
BUILDING!** Or the **STATUE OF LIBERTY!**
Or I could have bought **MT. RUSHMORE**
and had it moved to **New York** for them!

Sorry, Sahib!
Those places
have all been
used in other
movies! There
are just no
spectacular
places left!

What happened, Daddy? How
come the climax scenes on
bridges? The production
scenes in Radio City? The
jugglers, clowns, elephants
and fireworks in this big
final number? What happened
to that sweet, charming lit-
tle Broadway musical this is
from? Where did we go wrong?

Where we always
go wrong! In our
desperation to
make a hit film,
we take a proven
hit from another
medium... and we
HOLLYWOOD-IZE
It! And it comes
out **AWFUL, ANNIE!**

*To guarantee hits
we'll borrow;
From another medium
we'll borrow...
like a play!

From best-selling books
we'll borrow;
Even a hit musical
we'll borrow...
from Broadway!

Then we'll over-produce
the juice out of it,
With a Hollywood dose
of gross display...

And what'll come out
is sorrow;
Nothing like the property
we borrow...
for big pay!

The novel
we borrow...
The comics
we borrow...
It's always a
flop ciné!!

*Sung To the Tune Of "Guess What"

In order to stimulate interest and insure Box Office success, Hollywood has taken to featuring "Nude Scenes" in many of its movies. In fact, some of our biggest stars have appeared in the altogether recently. Paul Newman did it in "Cool Hand Luke," Charlton Heston did it in "Planet Of The Apes," Elizabeth Taylor did it in "Reflections In A Golden Eye," Mia Farrow did it in "Rosemary's Baby" and Jane Fonda did it in practically every movie she's ever made. As with all good ideas, we feel that it won't be long before this attempt to stimulate interest by the use of "Nude Scenes" is carried over into other fields. So here's what it might be like:

Ever notice how comic strip characters are just like real people, in that when they curse, it's always in the same old tiresome way...which in their case is something like this...

That's because they all use the old standard stereotype comic strip cursing symbols to blow off steam! And yet, there are thousands of other symbols (courtesy of @#\$%&! Madison Avenue) which could be used more appropriately in given situations! We'll show you what we mean—and probably inspire you to do some creative cursing of your own when you finish the article—as MAD has a few familiar faces deliver
